

Dear Patient,

As many of you know, our father Verne Willard passed away unexpectedly on June 29. I am writing to inform you that, after interviewing several interested dentists, we and the staff have decided to sell our father's practice to Dr. Stacey Laskis.

Dr. Stacey is a caring, talented and compassionate professional, who shares our father's conservative dental philosophy and commitment to exemplar dentistry. Dr. Stacey graduated from the world-renowned New York University College of Dentistry in 2006. Dr. Stacey also interned at the Larry Rosenthal Institute for Aesthetic Dentistry during dental school and also worked in the NYU Dental clinic serving patients, many of whom had complex medical histories. Following her formal training, Dr. Stacey worked as an associate dentist in Hoboken, New Jersey before starting her own practice from scratch in Westfield, New Jersey. Dr. Stacey has also been an Invisalign Preferred Provider.

Some of you may have already met Dr. Stacey as she stepped in to serve patients in the wake of our father's passing. Accordingly, the staff has already had the opportunity to view Dr. Stacey's work. The staff's first-hand observations of Dr. Stacey's work gives us the utmost confidence that you will continue to receive the highest quality of dentistry from her.

All of the staff of Parkview Dentistry (Tina, Wendy, Anna, Alisha and Aurora) wish to thank you for your continued trust and confidence in permitting them to care for you and your family's dental needs through the last 16 years and look forward to seeing you again soon.

The office location and telephone number will remain the same. Please reach out to Dr. Stacey at the office to schedule an appointment to get to know her, her practice philosophy and to discuss your dental needs and concerns in detail. Please also feel free to contact Tina so that she may answer any questions that you may have.

We want to thank all of you. Many of you were more than patients to our father, but friends who he looked forward to seeing at each and every visit.

Sincerely,

Brody Willard
